**THE BEST MEANS TO ACHIEVE KNOWLEDGE OR
TO BECOME SUCCESSFUL IS THE REASONING
BASED ON SCRIPTURES**

COURSE DESCRIPTION:

CHARAK SAMHITA

Acharya Charaka delved into all aspects of medicine, including the logic and philosophy behind the Indian medicinal system, he placed special emphasis on the diagnosis of disease and treated Ayurveda as a comprehensive system of health care that dealt with both preventive and curative aspects. Therefore, the "Charaka Samhita" is considered a complete encyclopaedia of Ayurvedic science.

The Charaka Samhita is an ancient Indian Ayurvedic text on internal medicine written by Acharya Charaka. Acharya Charaka has been referred as the Father of non-surgical Ayurvedic Indian Medicine. His principles, diagnosis and treatment retain their potency and truth even after a couple of millennia. This Samhita is useful for those who want to improve health and happiness of self and others.

Vaidya Smita Naram :

Vaidya Smita Naram, a world-renowned Ayurveda practitioner and founder of Ayushakti Ayurveda, is an expert in the Ayurvedic way of treatment. With more than 32+ years of clinical experience, Vaidya Smita Naram has specialized in the treatment of many chronic health problems.
